

## Transforming Housing Associations

Housing associations need to accelerate their digital transformation, adopt modern business practices and redesign processes to continue to meet their main social purpose.

### Why Cloud Services?

- Quick to deploy
- Support any size organisation
- Constantly updated
- Foster innovation
- Designed for teamworking
- Accessible from any device

**£29**

Tenant involvement can generate savings of £29 per property per year. *National Tenants Organisation*

**304% ROI**

Over three years, G Suite generated a risk-adjusted Return on Investment (ROI) of 304%. This means customers saw a net benefit of more than £3 for every £1 of cost.

1 in 2 employees work away from the office at least once a week
